Horizon North- Chi Mino Ozhitoowin (CMO) Joint Venture Partnership

Horizon North is partnered with Chi Mino Ozhitoowin (CMO) to provide an essential spectrum of camp, catering and infrastructure services to the Waasigan Transmission Line Project. CMO LP is owned by Eagle Lake, Lac La Croix, Fort William, Seine River, Lac Seul and Nigigoonsiminikaaning First Nations and Ojibway Nation of Saugeen. This partnership is rooted in the shared values of cultural preservation, community well-being and sustainable development and aims to harness the opportunities presented by the Waasigan Project. Through mutual understanding and collaboration we aim to support social-economic growth by offering meaningful employment and economic benefits for partner communities and individuals.

WHO ARE WE?

Dexterra Group is a fast-growing, financially strong, publicly listed company (TSX:DXT). We have a far-reaching presence across the entire continent North America with hundreds of full-time and part-time opportunities at any given time. We aim to provide our people with more than just a job – we offer fulfilling opportunities in a culture that promotes stability, diversity and inclusion, camaraderie, employee recognition, work-life balance, and doing what you love. For over 75 years, the companies that began independently, and now form Dexterra Group, have been dedicated to serving North American clients to create and manage built environments that play a vital role in our economy and our local communities. And, that's something we're truly proud of. *Work That Matters, People Who Care.*

WHAT'S THE JOB?

The Driver provides transportation for employees to and from site. They are also involved in delivering and shuffling materials to sites.

The position involves a remote work lifestyle in a camp setting with the following amenities:

- All meals and accommodations are provided
- Travel is provided to and from the site locations from designated locations in the Thunder Bay and surrounding area
- Private room with cable television
- Access to Wi-Fi
- Access to laundry facilities and detergents
- Access to a gym and common areas

Key responsibilities include:

- Providing safe and timely transportation of employees to and from site
- Delivering/shuffling materials to and from site
- Conducting daily inspections of your vehicle, maintaining a digital log of vehicle inspections and reporting any deficiencies to the District Manager and Logistics Team for correction
- Maintaining your vehicle in a clean and safe operating condition
